Sources of Data

Data is mainly obtained from the customer themselves, via website contact requests, or when entering into an agreement.

Data Sharing and Transfers Outside EU/EEA

Data is not regularly disclosed to third parties. Any transfer outside the EU or EEA will be separately notified to the data subject.

Data Protection Principles

Data is stored in locked premises. Networks and equipment are protected by firewalls and other technical measures.

Right of Access

Data subjects have the right to access their personal data. Requests must be sent in writing and signed to the contact person listed above.

Rectification

Data subjects can request corrections if their data is inaccurate.

Other Rights

Data subjects have the right to delete their personal data and to transfer it from one system to another.

Retention Period

Personal data is retained only as long as necessary for its intended purpose or as required by law.
